(D)

Consequent on the abolition of the Stationary Sub-
 Magistrate's Office at Siruguppa and construction of quar-
 ters for seven clerks sanctioned in G.O.No.Mis.507 W.P.W &
 Labour Department dated 14-2-30, some changes in the alloca-
 tion of Government residential quarters at Siruguppa are
 found necessary. I therefore submit herewith a statement
 showing the proposed reallocation for favour of approval.

2. I submit that some of these quarters were or have been permitted to be occupied by persons other than those for whom they were originally intended in the circumstances explained below against each case and I request formal sanction of Government to such occupation.

(a) According to the allocation statement approved in G.O.No.Mis.1177 Revenue dated 13-6-29 buildings Nos. 1 and 2 of Block No.I were intended for the Tahsildar and Stationary Sub Magistrate respectively. These two buildings are of the same type and bear the same standard rent of Rs.31 each; the building intended for the Tahsildar was occupied by the Stationary Sub Magistrate and the other by the Tahsildar. The building which was being occupied by the Stationary Sub Magistrate having become vacant in October 1931 the Inspector of Police, Siruguppa has been made to occupy it from 12-12-1931.

(b) Consequent on the abolition of a clerk's post in the Stationary Sub Magistrate's Office, building No.9 in Block III became vacant and it has been occupied by a Probationary Revenue Inspector temporarily from 9-1-32. The quarters will become vacant from 8-5-32 and it is proposed to assign them to the Agricultural Demonstrator, Siruguppa from that date (8-5-32). The Deputy Director of Agriculture III Circle, Bellary, who was consulted in the matter has no objection to the assignment.

(c) The Government in G.O.No.Ms.2392 W P.W. & L. Department dated 23rd August 1929 accepted the recommendation of the Board of Revenue that the Revenue clerks at Siruguppa who had not been provided with Government quarters might be permitted to occupy as a temporary measure, the Revenue peons quarters then vacant two quarters being allotted to each clerk. Some of the peons quarters were accordingly occupied by the clerks;

but two clerks were permitted to occupy the quarters intended for attenders of the Taluk Office in Block V at one each for the periods shown below:-

Building No.12 from 1st May 1929 to 30th November 1931;

Building No.11 from 14-11-29 to 30th November 1931;

and a clerk was occupying buildings No.10 (Peons quarters) and No.11 (attender's quarters) together from 1-6-29 to 13-11-29 probably for the reason that attenders got the same pay as that of peons

3. The numbers of buildings in Block V adopted in the previous allocation statement were taken from right to left. These buildings are now renumbered from left to right according to the usual convention. Hence the quarters intended for attenders which were numbered as 1 and 2 in the previous allocation statement are now renumbered as 12 and 11 respectively.

4. I submit that this allocation may well be left to me in future and the formal sanction of Government dispensed with and request orders to that effect.

REFERENCE:-

Submitted to Government.

2. The Board recommends that the Collector's proposals for the reallocation of the residential quarters may be sanctioned.

3. In para 4 of his letter, the Collector requests that the power of allocating the Government residential quarters may be delegated to him in future. The Board will examine the question with reference to Government Memo.No.126-A/32-6 Revenue dated 15th March 1932 separately.
